3927	Seaside	30	Smooth	Dark	Slow	Slow	HR: DM (1-11, 15, 16, 19). IR: DM (12, 14).	█	█	█		
4567	Red Tabby	31	Smooth	Dark Red	Slow	Slow	HR: DM (1-9, 11-13). IR: DM (10).	█		█		█

Bloomsdale

Seaside

Red Tabby

Generally, slow-growing varieties are slower bolting, making them better suited for growing and harvesting during warmer conditions and as day lengths are increasing. Fast-growing varieties are typically faster bolting and are best for growing and harvesting in cooler conditions and as day lengths are stable or decreasing.

*Numbers indicate known resistance to specified races.

Sow: █ Harvest: █

Spinach Resistance Codes

HR = High Resistance IR = Intermediate Resistance

DM Downy Mildew
