Country=NETHERLANDS  
S-Code=ALL  
Mark=ALL  
Group=ALL  
Family=ALL  
Type=ALL

Since the database is continuously updated, please  
download the last version of the list

A finished product made of a certified basic or raw material, does not automatically comply with the requirements of the certification scheme. Because of the other unknown components that can be added to the finished product, this finished product needs to be submitted to certification to have the permission to affix the conformity mark on this finished product.

The conformity of the products is guaranteed by the procedures for awarding and use of the conformity marks.  
This only applies to specimen bearing the conformity marks.

## 3. Finished Products

### 3.4. Garden, horticultural & agricultural products

#### 3.4.1. Clippers

BATO Plastics bv  
Munterij 2  
4762 AH Zevenbergen
