

Jang JP-1 Seeder #7319

# JANG JP-1

Premium Seeder for  
Small-Scale Growers

Perfect for the market gardener, this versatile seeder sows a wide range of small to medium-size seed crops with precision. Achieve high accuracy by selecting from a multitude of custom rollers for unlimited seed spacing options.

- Higher germination rates as a result of better seed-to-soil contact
- Sows accurately in a wide variety of soil conditions
- Reduces seed waste and the need for thinning, saving you money and labor
- Easily change out rollers and seed in the field and adjust seeding density in-row
- Fully adjustable and customizable
