

CUT FLOWERS FOR 2024

STOX® ANTIQUE ROSE Stock | #4905

An exciting new color. Sturdy, upright stems are comparable to the Iron Series. Light, dusty rose blooms for one-cut harvest. StoX® are 55% double-flowering without selection.

DESERT SUN Sunflower | #4923

Vigorous branching plants produce high-quality 5–7" wide, bicolor blooms.

STOX® CHAMPAGNE Stock | #4904

A unique peachy-pink color and part of the innovative StoX® Series.

STOX® ROSE PINK Stock | #4906

Subtle, muted, medium-light rose color in the high-quality StoX® Series.

EARLY ARROW WHITE Stock | #4908

Premium "hi-double" variety produces 90% or more double-flowering plants.

GUARDIAN WHITE Delphinium | #4837

Highly uniform plants for efficient harvest and higher yields.

GUARDIAN LAVENDER Delphinium #4838

Highly uniform plants for efficient harvest and higher yields.

AALSMEER KING SIZE MIX

Viola | #4931

Old-fashioned mix of bicolor blooms.
