

JACK-O'-LANTERN PUMPKIN VARIETIES COMPARISON CHART

Gumdrop  Tom Fox Racer  Racer Plus  Renegade PMR Mellow Yellow Cargo PMR  Howden Expert  Champion  Igor  Early Giant

Igor (F1) 100 days. 
NEW We've created a monster! The perfect Halloween jack for attracting attention, whether at the farm stand or the front door. Tall and lurking, Igor is very uniform in size, shape, and menace. Dark orange skin, deep ribs, and a pronounced shoulder create a foreboding look, while a strong handle carries the weight well. Avg. 25–35 lb. NOTE: it's pronounced "Eye-Gor!" Bred by Dr. Lindsay Wyatt at Johnny's. **Select 4027T (Treated) or 4027 (Untreated).**

Part #	Variety	Disease Resistance	Days	Wt. Range	Bin Count	Avg. Fruit/Plant	In-Row Spacing*	Vine Length
Medium								
3571	Gumdrop PMR (F1)	(IR: PM.)	100	11–13 Lb.	60	3–4	24–30"	Short
599G 	Tom Fox	—	110	10–16 Lb.	50–60	2–3	36–48"	Long
