P=Preferred by Johnny's Research Farm

Part #	Product	Size	Form.†	Uses
9192	PyGanic®   	1.4% Qt.	LC	Pyrethrin spray flushes insects and mites from hiding, killing more than 100 insect pests. 1.4%: 1/2–2 acres/Qt. 5%: 2–7 acres/Qt.
9532		5% Qt.		
9107	Monterey Garden Insect Spray  	16 Oz.	LC	Powerful against Colorado potato beetles and many other pests. To prevent tolerance buildup, alternate use of this Spinosad formulation with a B.t.-based insecticide. 16 oz. makes 8 Gal.; Qt. makes 16 Gal.; Gal. makes 64 Gal.
9481		Qt.		
9484		Gal.		
9713	DiPel® DF   	1 Lb.	DF	B.t. ( <i>Bacillus thuringiensis</i> var. <i>kurstaki</i> ) controls leaf-eating caterpillars. Dissolves better in water than wettable powders. 1/2–4 Tsp./Gal.; 1/4–2 lb./acre.
9239	AzaGuard®  	Qt.	LC	3% Azadirachtin formulation provides broad-spectrum control on over 300 insect species. 8–21 Oz./acre.
9003	Sluggo®  	2.5 Lb.	GR	A blend of mollusk bait and iron phosphate; kills snails and slugs organically, while fertilizing your soil. 1 Lb./1,000 square feet.
9184		10 Lb.		
9208		40 Lb.
